**Please make your reservations early and/or plan to secure your campsite as early in the day as possible. Campgrounds may fill by early morning, especially during peak season (early July—late August).**

**It is recommended that people driving recreational vehicles over 30' make a reservation since there are a limited number of campsites over 30' available in Yellowstone. Large RV sites are located at Flagg Ranch, Fishing Bridge RV Park, West Yellowstone and Gardiner.**

### CAMPSITE AVAILABILITY & RESERVATIONS

Availability is first-come, first serve at the following seven campgrounds in Yellowstone National Park: Indian Creek, Lewis Lake, Mammoth, Norris, Pebble Creek, Slough Creek, and Tower Fall. Campgrounds may be filled by 11 a.m.; arrive early to obtain a site. Overnight camping of any type (tent, vehicle, or RV) outside designated campgrounds is not permitted.

### CAMPFIRES

Wood and charcoal fires are permitted only in locations with fire grates. Special fire restrictions are occasionally put in place when the danger of wildland fires is great. If you plan to light a fire in the park, please ask about current fire restrictions at the entrance station when you arrive or email our **Visitor Services Office** immediately prior to your visit.

#### Did You Know?

There are more people hurt by bison than by bears each year in Yellowstone. Park regulations state that visitors must stay at least 25 yards away from bison or elk and 100 yards away from bears.
